

PUBLIC FUNDED RESEARCH INSTITUTIONS & OTHERS REGISTERED WITH DSIR

**DEPARTMENT OF SCIENTIFIC AND INDUSTRIAL RESEARCH
MINISTRY OF SCIENCE AND TECHNOLOGY
NEW DELHI**

PREFACE

The Department of Scientific and Industrial Research (DSIR) is the nodal Government Department for granting registration to Public Funded Research Institution, University and organization. Public sector research refers to those R&D activities performed in institutions that are either publicly owned or operated or that depend to a large extent on government block funding for their research activities. Such institutions fall into two main categories: **universities and public research institutes (PRIs)**. In addition to research, universities perform the important function of teaching, while PRIs usually solely provide direct R&D support to business firms and public authorities.

Government of India announced rationalization of Customs Duty exemption vide Notification No.51/96-Customs Dated 23.07.1996 to Public Funded Research Institutions and others. As per the notification, public funded research institutions or IITs or Indian Institute of Science Bangalore or Regional Engineering Colleges (RECs) other than a hospital should have a valid registration with Department of Scientific and Industrial Research (DSIR) for availing customs duty exemption on imports for research purpose. The items covered under these notifications are scientific & technical instruments, apparatus and equipment (including computers), as also accessories & spare parts thereof, consumables and computer software, Compact Disc Read Only Memory (CD ROM), recoded magnetic tapes, micro-films, micro-fiches and prototypes exclusively for research purposes only.

The PFRI registered with DSIR are eligible for benefit in terms of Vide Notification No. Ministry of Finance has amended the notification no. 51/96-Customs dt. 23.07.1996, amendment 28/2003-Customs dated 01.03.2003. With the introduction of Central Goods and Services Tax Act, 2017(No. 12 of 2017) from 1st July, 2017, Ministry of Finance amended the main notification No. 51/96-Customs vide Notification No.43/2017-Customs dated 30.06.2017; vide Notification No. 47/2017-Integrated Tax (Rate) dt.14.11.2017, Notification No. 45/2017-Central Tax (Rate) dt. 14.11.2017, Notification No. 45/2017- Union Territory Tax (Rate) dt. 14.11.2017, Notfn. No. 42/2022 dt. 13.07.2022 and Notfn. No 38/ 2024 dated 23.07.2024, as amended from time to time.

In light of the evolving status of Public Funded Research Institutions, with several having been newly registered and others whose registrations have lapsed, the current directory has been compiled to provide an updated and comprehensive reference. This edition includes **520 institutions**, presenting their **names, addresses, DSIR registration numbers**, and the **validity period of their registration**, as of **June 2025**.

The main purpose of bringing out this directory is to provide a reference source to various industries, Government Departments, Customs and Excise Department and others who may like to take the opportunity of initiating interaction with the institutions in various disciplines of scientific and /or industrial research. Although, due care has been taken to correctly indicate the period of registration in the directory, in case of any anomaly, the actual registration letter should be referred to.
