**DEPARTMENT OF SCIENTIFIC & INDUSTRIAL RESEARCH
MINISTRY OF SCIENCE AND TECHNOLOGY
NEW DELHI**

PREFACE

Over the years a strong science & technology infrastructure has been established in the country. This covers a chain of national laboratories, specialized research centers, various R&D and academic institutions, training centers, and others. Various policy measures and organizational structures have also been evolved from time to time to meet the changing industrial and technological requirement of the country.

Government have been giving special attention to promotion and support to industrial research in industry. Several dedicated schemes and other policy measures have been provided which encourage and make it financially attractive for industrial units to establish their own in-house R&D units.

A scheme for granting recognition to in-house R&D units in industrial sector was started in 1973. The scheme is being operated by the Department of Scientific & Industrial Research (DSIR) in the Ministry of Science & Technology. DSIR is the nodal Department for granting recognition/ registration to the In-house Research and Development (R&D) centres established by Industry in the country. As on 30th September, 2025, there are **1994 Industries with 2535 In-house R&D units (RDIs)** having valid recognition.

The main purpose of bringing out this directory is to provide a ready reckoner to various industries, government departments, R&D institutions and others to enable exchange of industrial R&D and dissemination of cross cutting knowledge across all technology driven sectors.

Even though all possible care has been taken in compiling the directory of the recognised in-house R&D units, some inadvertent errors cannot be totally ruled out. We will be grateful if such errors are pointed out to us so that we can make requisite correction in our database.

The enormous efforts put by DSIR Officers/ officials viz. edited and coordinated by Dr. Sarika Madan (Scientist E), Dr. Rajesh Kumar (Retd. Scientist E), Dr. Anil Kumar (Scientist D) and Dr. S P Verma (Scientist C), compilation by Smt. Saroj Ravi Girota, Shri Chaitanya Prakash Sharma, and Ms. Kajal Goswami in bringing out this publication is acknowledged with appreciation.
